PRODUCT AND BRAND INDEX

PRODUCT INDEX

Brands	Description	Page
Antibacterial glasses	Antibacterial Planibel float, painted Lacobel or Mirox 3G mirror glasses	327
Bent glasses	Bent glasses	250
Blackpearl	Coloured glass with a pyrolytic coating for spandrel panels	248
Glamatt	Anti-glare glasses for framing	331
Heat-strengthened glasses	Heat-treated glasses	237
Imagin	Patterned decorative glasses	268
Imagin wired	Glasses with integrated wire mesh	275
Lacobel	Painted glasses	291
Antibacterial Lacobel	Antibacterial painted glass	328
Lacobel Safe	Painted glasses with safety backing	301
Lacomat	Matt-finished painted glasses	280
Matelac	Satin-finish painted glasses	296
Matelac Safe	Satin-finish painted glasses with safety backing	301
Matelux	Acid-etched glasses	283
Matobel one side	Anti-glare glasses for framing	332
Mirolod Morena	Oxidised antique mirror	312
Antibacterial Mirox	Antibacterial mirrors	328
Mirox 3G	Environmentally friendly ROHS mirrors	308
Mirox MNGE	Environmentally friendly mirrors	305
Mirox MNGE Safe	Environmentally friendly mirrors with safe safety backing	315
Antibacterial Planibel	Antibacterial float	322
Planibel clear, Clearvision, Linea Azzurra	Clear base glasses	171
Planibel coloured	Body-tinted glasses	199

Brands	Description	Page
Planibel Energy ^N	Glass with a Magnetron coating to provide enhanced thermal insulation and solar control	191
Planibel Energy ^{NT}	Toughenable glass with a Magnetron coating to provide enhanced thermal insulation and solar control	191
Planibel G	Toughenable glass with a pyrolytic coating to provide thermal insulation	184
Planibel G fasT	Toughenable glass with a pyrolytic coating to provide thermal insulation	184
Planibel Top ^{N+}	Glass with a Magnetron coating to provide enhanced thermal insulation	188
Planibel Top ^{NT}	Glass with a toughenable Magnetron coating to provide enhanced thermal insulation	188
Pyrobel - Pyrobelite	Laminated fire-resistant glasses	339
Sanilam Easycut	Laminated two-sided safety mirrors	317
Stopray	Glazing with a Magnetron coating to provide solar control and enhanced thermal insulation	213
Stopray T	Glazing with a toughenable Magnetron coating to provide solar control and enhanced thermal insulation	213
Stopsol	Glazing with a reflective pyrolytic coating to provide solar control	203
Stratobel	Laminated safety glasses	226
Stratobel Color Rainbow	Laminated safety glasses with coloured PVB interlayers which can be combined	325
Stratobel Color standard	Laminated safety glasses with coloured PVB interlayers	322
Stratobel Security Accident prevention	Laminated safety glasses with PVB interlayers – in single panes and insulating glazing	228
Stratobel Security Anti-bandit	Laminated safety glasses with PVB interlayers	232
Stratobel Security Bullet-proof	Laminated safety glasses with PVB interlayers	234
Stratophone	Acoustic laminated safety glass	218

Brands	Description	Page
Structura	Point-fixed structural glazing system for glazing and structural elements	255
Structura Decor	Point-fixed structural glazing system for cladding	255
Structura Duo	Point-fixed structural glazing system for insulating glazing	259
Structura Support	Point-fixed structural glazing system for structural elements	259
Structura Vision	Point-fixed structural glazing system for single glazing	257
Structural glazing	Insulating glazing to be used in structural glazing	261
Sunergy	Glasses with a pyrolytic, low-reflection coating to provide solar control and thermal insulation	209
Thermally toughened glasses	Heat-treated safety glasses	240
Thermally toughened HST glasses	Heat-treated safety glasses which have undergone a heat-soak test (HST)	243
Triple glazing	Insulating triple glazing	194

1 INTRODUCTION

AGC Flat Glass Europe

- > is the European branch of AGC, the world's largest glass-making group
- > produces and markets flat glass mainly for the building sector with glass for façades and interior design
- > has production sites throughout greater Europe, from Spain to Russia, with approximately 17 float plants and 100 production units
- > has an international network of agents
- > implements a policy of sustained research: European leader in advanced glass technologies such as coated glass.

AGC Flat Glass Europe currently employs around 10.700 people and generated a turnover of €2.2 billion in 2006.

Note: in the present document, AGC refers to AGC Flat Glass Europe.
